- Physical Inactivity and Depression in the Brazilian Aged: a Systematic Review. REFACS (online) 2017; 5(1):66-74.

- Production of knowledge of Nursing about potential life years lost: bibliometric study. REFACS (online) 2017; 5(1):34-46.

- Support the transfer evaluation and impact of permanent education on primary health care. REFACS (online) 2017; 5(3-Edição Especial):404-414.

### **Amanda Ribeiro Gonçalves**

- Home care services in Brazil: a bibliographic review. REFACS (online) 2017; 5(3-Edição Especial):440-449.

- Prevalence of depression indexes among the elders of a unit for the care of senior citizens. REFACS(online)2017; 5(Supl. 2):289-296.

### **Ana Carolina Fernandes**

- Institutionalization Process: what changes in the life of the elder? REFACS(online)2017; 5(Supl. 2):346-353.

### **Ana Maria Gondim Valença**

- Malocclusion, tooth decay and gingivitis as factors associated with the shame of smiles in oncology pediatric patients. REFACS(online)2017; 5(Supl. 1):92-100.

- Specialized dental care supply in the primary care in Brazil, the Brazilian Northeast, and the State of Paraíba. REFACS (online) 2017; 5(Supl.1):131-140.

### **Andreia Aparecida Reis de Carvalho Liporoni**

- Integration of health policies and social assistance on the care of the elderly. REFACS(online)2017; 5(Supl. 2):325-334.

- Public health defense through municipal councils of health. REFACS(online)2017; 5(Supl. 2):335-345.

### **Andréia Moreira dos Santos Carmo**

- Use of the rapid molecular test in the diagnosis of pericardial tuberculosis: a case report . REFACS(online)2017; 5(2):263-268.

### **Ane Polline Lacerda Protasio**

- Specialized dental care supply in the primary care in Brazil, the Brazilian Northeast, and the State of Paraíba. REFACS (online) 2017; 5(Supl.1):131-140.

### **Antônio Adolfo Mattos de Castro**

- Lifestyle and its correlations with osteoporosis and loss of body balance. REFACS(online)2017; 5(2):200-208.

### **Araceli Albino**

- Depression and the search for a "Pharmakon" to alleviate individual and social discomfort. REFACS (online) 2017; 5(Supl.1):165-174.

### **Bianca Gomes Peixoto**

- Prevalence of depression indexes among the elders of a unit for the care of senior citizens. REFACS(online)2017; 5(Supl. 2):289-296.

### **Bruna Stephanie Sousa Malaquias**

- A Research about HIV/AIDS and sexuality involving elders: an experience report. REFACS (online) 2017; 5(2):255-262.

### **Bruno Vilas Boas Dias**

- The effectiveness of nursing systematization in the perception of nurses. REFACS (online)2017; 5(1):19-25.

### **Carolina Silva Ledic**

- A Research about HIV/AIDS and sexuality involving elders: an experience report. REFACS (online) 2017; 5(2):255-262.

### **César Augusto França Abrahão**

- Morphological kidney and heart analysis of autopsied hypertensive patients. REFACS (online) 2017; 5(3-Edição Especial):372-380.

### **Claudia Eli Gazetta**

- Diagnosis of tuberculosis: perspective of primary care nursing professional. REFACS(online)2017; 5(2):180-190.

**Claudia Helena Julião**

- Permanent education and health literacy: contributions for the training professional. REFACS(online)2017; 5(Supl. 2):305-310.

**Claudia Kumpel**

- Lifestyle and its correlations with osteoporosis and loss of body balance. REFACS(online)2017; 5(2):200-208.

**Consuelo Fernanda Macedo de Souza**

- Skeletal fluorosis: knowledge about the disease in a population. REFACS (online) 2016; 5(Supl.1):125-130.

**Cristiane Andion de Souza**

- Health education in the context of primary health care. REFACS(online)2017; 5(Supl. 2):282-288.

**Cristiane de Fátima Poltronieri**

- The elderly statute at school: intergenerational challenges. REFACS(online)2017; 5(Supl. 2):318-324.

**Cristina Etosi Ricardo Azevedo**

- Ingestion Leftovers of Vegetables in Schools of Carapicuíba, São Paulo. REFACS(online) 2017; 5(Supl.1):146-153.

**Cristina Zukowsky Tavares**

- Health education through fairs. REFACS(online)2017; 5(2):245-254.

**Daniela da Cunha dos Santos**

- Health education through fairs. REFACS(online)2017; 5(2):245-254.

- Religion, spirituality and nursing. REFACS(online) 2017; 5(Supl.1):154-164.

**Daniela Lemos Carcereri**

- Continuing teacher training: action-reflection-action health literacy space. REFACS(online)2017; 5(Supl. 2):274-281.

**Daniela Martins Machado**

- National policy of integral attention to man's health: an integrative review. REFACS(online)2017; 5(2):235-244.

**Daniella Amaral Aguiar**

- Work and Mental Health: an Existing Relationship in the Setting of a CAPS. REFACS (online) 2017; 5(1):47-55.

**Darclé Cardoso**

- Continuing teacher training: action-reflection-action health literacy space. REFACS(online)2017; 5(Supl. 2):274-281.

**Débora Tavares de Resende e Silva Abate**

- Morphological kidney and heart analysis of autopsied hypertensive patients. REFACS (online) 2017; 5(3-Edição Especial):372-380.

**Delvane José de Souza**

- Knowledge, attitudes and practices of nursing professionals regarding hand hygiene in a hospital setting. REFACS (online) 2017; 5(3-Edição Especial):362-371.

- Support the transfer evaluation and impact of permanent education on primary health care. REFACS (online) 2017; 5(3-Edição Especial):404-414.

**Denise Campos Menezes**

- Skeletal fluorosis: knowledge about the disease in a population. REFACS (online) 2016; 5(Supl.1):125-130.

**Denise Gisele Silva Costa**

- The elderly statute at school: intergenerational challenges. REFACS(online)2017; 5(Supl. 2):318-324.

**Divanice Contim**

- Home care services in Brazil: a bibliographic review. REFACS (online) 2017; 5(3-Edição Especial):440-449.

- Knowledge, attitudes and practices of nursing professionals regarding hand hygiene in a hospital setting. REFACS (online) 2017; 5(3-Edição Especial):362-371.

**Douglas Montielle Silva Nascimento**

- Cardiac weight in elderly men with chronic chagas heart disease. REFACS (online) 2017; 5(3-Edição Especial):398-403.

**Eduardo Dias Ribeiro**

- Incidence of Malignant Oral Neoplasms in Brazilian Regions. REFACS(online) 2017; 5(Supl.1):141-145.

**Elialda Cavalcante da Silva Souza**

- The effectiveness of nursing systematization in the perception of nurses. REFACS (online)2017; 5(1):19-25.

**Eliana Maria Gaudenci**

- A Research about HIV/AIDS and sexuality involving elders: an experience report. REFACS (online) 2017; 5(2):255-262.

**Elias Ferreira Porto**

- Lifestyle and its correlations with osteoporosis and loss of body balance. REFACS(online)2017; 5(2):200-208.

**Elisângela de Assis Amaro**

- Prevalence of depression indexes among the elders of a unit for the care of senior citizens. REFACS(online)2017; 5(Supl. 2):289-296.

**Eliza Carla Barroso Duarte**

- Cardiac weight in elderly men with chronic chagas heart disease. REFACS (online) 2017; 5(3-Edição Especial):398-403.

**Érico Pinheiro Lopes de Paula**

- Fundamentals of Social Representation for Education Research. REFACS (online) 2017; 5(1):56-65.

**Eufrásio de Andrade Lima Neto**

- Malocclusion, tooth decay and gingivitis as factors associated with the shame of smiles in oncology pediatric patients. REFACS(online)2017; 5(Supl. 1):92-100.

**Eva Claudia Venâncio de Senne**

- Knowledge, attitudes and practices of nursing professionals regarding hand hygiene in a hospital setting. REFACS (online) 2017; 5(3-Edição Especial):362-371.

**Fábio Correia Sampaio**

- Skeletal fluorosis: knowledge about the disease in a population. REFACS (online) 2016; 5(Supl.1):125-130.

**Fabio Scorsolini-Comin**

- The lesson plan as resource and didactic strategy to prepare professors for higher education. REFACS (online) 2017; 5(3-Edição Especial):415-428.

**Fabiola Galbiatti de Carvalho**

- Effects of fluorine and xylitol in the antimicrobial activity of child dentifrices. REFACS(online)2016; 5(Supl. 1):101-107.

**Fernanda Carolina Camargo**

- Evidence-based practice: bibliometric review of national publications in nursing journals. REFACS (online) 2017; 5(3-Edição Especial):429-439.

- Production of knowledge of Nursing about potential life years lost: bibliometric study. REFACS (online) 2017; 5(1):34-46.

- Scientific production in nursing teams in a public teaching hospital do Triângulo Mineiro. REFACS (online) 2017; 5(3-Edição Especial):390-397.

**Flávia Aparecida Oliveira**

- Cardiac weight in elderly men with chronic chagas heart disease. REFACS (online) 2017; 5(3-Edição Especial):398-403.

**Francielle Toniolo Nicodemos Furtado de Mendonça**

- Support the transfer evaluation and impact of permanent education on primary health care. REFACS (online) 2017; 5(3-Edição Especial):404-414.

**Francisca Chagas Oliveira**

- Lifestyle and its correlations with osteoporosis and loss of body balance. REFACS(online)2017; 5(2):200-208.

**Gelson Patrício Florentino da Rocha**

- Lifestyle and its correlations with osteoporosis and loss of body balance. REFACS(online)2017; 5(2):200-208.

**Gerson Santos**

- Factors associated with the consumption of drugs among the elderly of a basic unit. REFACS(online)2017; 5(2):191-199.

**Getúlio Freitas de Paula**

- Scientific production in nursing teams in a public teaching hospital do Triângulo Mineiro. REFACS (online) 2017; 5(3-Edição Especial):390-397.

**Gilberto de Araújo Pereira**

- Production of knowledge of Nursing about potential life years lost: bibliometric study. REFACS (online) 2017; 5(1):34-46.

- Scientific production in nursing teams in a public teaching hospital do Triângulo Mineiro. REFACS (online) 2017; 5(3-Edição Especial):390-397.

**Gilmara Medeiros Lucena**

- Effects of fluorine and xylitol in the antimicrobial activity of child dentifrices. REFACS(online)2016; 5(Supl. 1):101-107.
