

**List of Subjects REFACS 2018 (Volume 6)****Adolescent Health**

- Alcohol use among adolescents and relationship with social and personal factors. REFACS 2018; 6(4): 701-714.
- Experiences of primary health care nurses in the prenatal care of adolescents. REFACS 2018; 6(1):72-82.
- Mortality from suicide in adolescence: a review. REFACS 2018; 6(Suplemento 1):357-363.
- Music as a way to express the reality of socially vulnerable adolescents. REFACS 2018; 6(Suplemento 2): 662-668.

**Calidad de Vida en Oncología Pediátrica**

- Quality of life after bone marrow transplant: comparison between evaluation of children and mothers. REFACS 2018; 6(4): 686-693.

**Collective Health Nursing**

- Chronic non-transmissible diseases: knowledge and practices of primary health care nurses. REFACS 2018; 6(Suplemento 2): 620-627.
- Depressive symptoms among users cared for in a Matrix Health Unit. REFACS 2018; 6(Suplemento 2): 628-636.

**Collective Oral Health**

- Analysis of the dental extraction index in a municipal context. REFACS 2018; 6(2):220-227.
- Brazilian oral health coverage characteristics and the populational access to public dental services. REFACS 2018; 6(2):212-219.
- Dental traumatism: primary health care dentists' knowledge. REFACS 2018; 6(2):174-180.
- National evaluation of reference dental centers for the care of patients with special needs. REFACS 2018; 6(2):166-173.
- Need of specialized treatment of FUSEX/SUS patients, cared for in the Military Hospital of Tabatinga/AM. REFACS 2018; 6(2):189-198.
- Oral health care regulation and absenteeism: settings and possibilities. REFACS 2018; 6(2):228-237.
- Oral health profile of schoolchildren living in regions with endemic dental fluorosis. REFACS 2018; 6(2):181-188.

**Culture and Health**

- The speech of mothers of babies in newborn jaundice treatment. REFACS 2018; 6(Suplemento 1):338-346.

**Elderly Health**

- Hospitalization and mortality in institutionalized elderly. REFACS 2018; 6(Suplemento 1):281-297.
- Prevalence and factors associated with hypertension in elderly people at a primary care service. REFACS 2018; 6(Suplemento 1):321-329.

**Evidence Based Nursing**

- Strategies for teaching evidence based practice in nursing education: integrative Review. REFACS 2018; 6(Suplemento 1):363-374.

**Family Health**

- Approaches to family risk classification with community health agents. REFACS 2018; 6(2):269-278.

**Family Support and Health**

- Family support in the kidney transplantation process. REFACS 2018; 6(3): 424-431.

**Food Advertising**

- Food advertising: what is sold? REFACS 2018; 6(4): 694-700.

**Food and Health**

- Food consumption pattern and factors associated with adults. REFACS 2018; 6(4): 715-723.

**Gerontogeriatric Occupational Therapy**

- Hidden patients of Alzheimer's disease: an integrative review of occupational therapy assessment with caregivers. REFACS 2018; 6(1):95-108.

**Group Practices**

- Group practices in the Brazilian legal reference focused on the violence: integrative review. REFACS 2018; 6(4): 785-795.

**Health Assessment**

- Evaluation of the actions of the Hiperdia program for hypertensive patients. REFACS 2018; 6(3): 445-452.

**Health Education**

- Socialization group: perception of elders in a primary health care unit. REFACS 2018; 6(3): 432-438.
- The application of the cycle ergometer in the control of Immobility syndrome during terminality. REFACS 2018; 6(Suplemento 2): 649-653.
- Waiting room: space for health education. REFACS 2018; 6(3): 500-507.

**Health Information**

- Profile of hospitalizations in the municipality of Minas Gerais, Brazil. REFACS 2018; 6(1):45-52.

**Health of the Elderly People**

- Health behaviors and healthy aging: a study with community elderly people. REFACS 2018; 6(4): 775-784.

**Health Promotion**

- The promotion of health in university courses: a documentary analysis. REFACS 2018; 6(Suplemento 1):312-320.

**Health Work Process**

- The work of physical therapists of Family Health Support Centers in elderly attention. REFACS 2018; 6(Suplemento 2): 571-580.

**Hospital Infections**

- Bacteriologic analysis of liquid soap for hospital use. REFACS 2018; 6(3): 479-484.

**Hospital Psychology**

- Blossoming in arid soil: experience reports of psychological practices in the context of a Hospital. REFACS 2018; 6(3): 508-514.

**Learning of Physical Therapy**

- University extension: experience report about aquatic physical therapy during graduation. REFACS 2018; 6(3): 494-499.

**Lifestyle**

- Smoking and lifestyle in an area of social vulnerability. REFACS 2018; 6(Suplemento 1):306-311.

**Male Homosexuality**

- Homosexuality and family of origin: the perspective of male homosexuals\*. REFACS 2018; 6(4): 735-745.

**Mental Health**

- Autonomy in the field of mental health: a review of the national literature. REFACS 2018; 6(Suplemento 1):347-356.
- Descriptions of the health-illness-care process in the perspective of users of a psychosocial care center. REFACS 2018; 6(4): 746-752.

**Mother and Child Health**

- Experiences and expectations of pregnant women in advanced maternal age with suspected or confirmed fetus malformation. REFACS 2018; 6(3): 416-423.
- Paternity during gestation and parturition: an integrative review. REFACS 2018; 6(3): 485-493.

**• Neonatal Nursing**

- The Kangaroo method as a vehicle for the empowering of mothers. REFACS 2018; 6(Suplemento 2): 611-619.

**Neuropsychological Evaluation in the Elderly Population**

- Neuropsychological evaluation of elderly people in research for dementia\*. REFACS 2018; 6(4): 753-763.

**Non-Communicable Diseases**

- Lifestyle and physical activity in area of social vulnerability. REFACS 2018; 6(Suplemento 1):285-290.

**Nursing Process**

- Clinical exams and their implications for the effectiveness of the nursing process. REFACS 2018; 6(3): 471-478.
- Nursing process implementation through the software for university hospital management: an experience report. REFACS 2018; 6(3): 515-521.

**Nutrition in Public Health**

- Eating habits of the elderly from a city in the countryside of Minas Gerais, Brazil. REFACS 2018; 6(3): 439-444.
- Standardization of artisanal enteral diets for home care use in the Primary Attention. REFACS 2018; 6(Suplemento 1):298-305.

**Nutrology and Health**

- Vitamin D deficiency versus high body mass index in acute coronary syndrome. REFACS 2018; 6(3): 464-470.

**Occupational Therapy and Child Health**

- The meaning of being a mother or father of a child with autism. REFACS 2018; 6(1):26-34.

**Occupational Therapy and Mother Child Health**

- The maternal perception of the neurobehavioral signs presented by preterm babies admitted on the inpatient pediatric setting. REFACS 2018; 6(1):35-44.

**Occupational Therapy and Neonatology**

- A word with mother: understanding the form and meaning of occupancy of kangaroo care in method. REFACS 2018; 6(1):15-25.

**Occupational Therapy and Psychology in Cardiology**

- Integrated care to the person with heart failure from a therapeutic-occupational and psychological perspective: a case study. REFACS 2018; 6(1):123-129.

**Occupational Performance**

- Capacity for work and quality of life of workers cared for in the primary health system. REFACS 2018; 6(Suplemento 2): 600-610.

**Occupational Therapy in Hospital**

- Occupational therapy in hospital contexts: the specialty, duties, skills and fundamentals. REFACS 2018; 6(1):130-139.

**Occupational Therapy in ICU Pediatric**

- Situational diagnosis and occupational therapy contributions in a pediatric onco-hematologic intensive care unit. REFACS 2018; 6(1):109-116.

**Occupational Therapy in Infectious Diseases**

- Functional capacity in individuals with tropical spastic paraparesis/HTLV-1-associated myelopathy. REFACS 2018; 6(1): 07-14.

**Occupational Therapy in Oncology**

- Occupations and meanings in oncological palliative care: the case of "Nobreza" in the process of finitude. REFACS 2018; 6(1):140-151.

**Occupational Therapy in Pediatric Oncology**

- Intervention of the occupational therapist with children with cancer: a review of the annals of the I Congress of the Scientific Association of Occupational Therapy in Hospital Context and Palliative Care. REFACS 2018; 6(1):83-94.

**Odontology Teaching**

- Avulsion of permanent teeth: the knowledge of odontology undergrads. REFACS 2018; 6(2):199-205.

- Evaluation of the knowledge of odontology undergrads and professors of a private university with regards to gingival recession. REFACS 2018; 6(2):206-211.

**Old Woman**

- Sorority: thread that interweaves stories of collective resistance before old age and female body. . REFACS 2018; 6(Suplemento 1):386-393.

**Oncological Physical Therapy**

- Palliative physical therapy in metastatic lung adenocarcinoma: case report. REFACS 2018; 6(3): 522-527.

**Oncology**

- Analysis of a case of breast cancer with recurrence. REFACS 2018; 6(Suplemento 1):401-410.

**Oral Health Therapies**

- Photosensitizing effects of *In vitro* crystal violet on photodynamic therapy for *Candida albicans*. REFACS 2018; 6(2):158-165.

**Pediatric Odontology**

- Therapeutic associations on the management of chemo-induced oral mucositis in pediatric patients. REFACS 2018; 6(2):256-263.

**Permanent Health Education**

- Noise control: team perceptions and educational intervention in a Neonatal Intensive Care Unit. REFACS 2018; 6(3): 453-363.

- Teaching-service articulation: strategy for health graduation and permanent education. REFACS 2018; 6(2):264-268.

**Pleasurable Activities in the Elderly Population on Hemodialysis**

- Depression and involvement in pleasurable activities in the elderly population undergoing hemodialysis in a school hospital: a descriptive study\*. REFACS 2018; 6(4): 764-774.

**Primary Health Care**

- Comprehensiveness in primary health care. REFACS 2018; 6(Suplemento 1):394-400.

**Psychological Dimension**

- The impact and psychological position of gestational trophoblastic disease: a case study. REFACS 2018; 6(4): 801-807.

**Quality of Life in Pediatric Oncology**

- Quality of life after bone marrow transplantation: comparison between the evaluation of children and mothers. REFACS 2018; 6(4): 686-693.

**Scholar Health**

- Burnout syndrome in Odontology, Medicine and Nursing students: a literature review. REFACS 2018; 6(2):238-248.

**School Children Health**

- Promotion of health in the school environment: development of teaching materials. REFACS 2018; 6(Suplemento 1):376-385.

- Sedentary behavior in schools: the state of the art. REFACS 2018; 6(2):249-255.

**Skin Cancer Epidemiology**

- Analysis and incidence of cutaneous melanoma in a cancer hospital in the Triângulo Mineiro. REFACS 2018; 6(Suplemento 1):330-337.

**Social Control in Health**

- Participation and social control: a perspective of the population served in a family health unit. REFACS 2018; 6(4): 796-800.

**Social Obstetrics**

- Narratives on planned home birth after hospital birth. REFACS 2018; 6(1):53-62.

**Social Representations**

- "The thinness as normal, the normal as fat": reflections on contemporary body and beauty standards. REFACS 2018; 6(4): 808-813.

**Transgender Mood**

- Gender discourse analysis in Silicone Blues. REFACS 2018; 6(4): 675-685.

**Women's Health**

- Conceptions of care and power relations in women's health. REFACS 2018; 6(1):36-71.

**Women's Violence**

- Maria da Penha Law: perceptions of the women in the context of domestic violence. REFACS 2018; 6(4): 724-734.

**Worker Health Teaching**

- The use of audiovisual resources in the teaching-learning process for occupational therapy in work health. REFACS 2018; 6(Suplemento 2): 654-661.

**Worker's Health**

- Inability of workers with musculoskeletal upper limb lesions cared for in a rehabilitation center. REFACS 2018; 6(Suplemento 2): 563-570.

- Mechanized elimination of unstable rocks and work safety in a underground gold mine. REFACS 2018; 6(Suplemento 2): 542-551.

- Quality of life at work: a report about manicures. REFACS 2018; 6(Suplemento 2): 531-541.

- Quality of life of food handlers in industrial restaurants. REFACS 2018; 6(Suplemento 2): 581-590.

- Stress generating factors in military police officers: a systematic review. REFACS 2018; 6(Suplemento 2): 637-648.

- The structuring dimensions of police work. REFACS 2018; 6(Suplemento 2): 552-562.
