- "We felt lost": The loss of a child with cancer. REFACS 2019; 7(4): 425-431.

Neonatology Nursing

- Nursing assistance to palliative care infants with diagnoses of Edwards and Dandy-Walker syndromes. REFACS 2019; 7(4):505-514.

Nursing in Wounds

- Nursing assistance to patients with chronicle wounds: an experience report. REFACS 2019; 7(2):248-255.

Nursing Teaching

- Conceptions about the nursing course at a public university: the opinion of professors. REFACS 2019; 7(1): 64-71.

- Meaningful learning: theory as a framework for the elaboration of mini-courses by nursing undergraduate students*. REFACS 2019; 7(1): 84-90.

- The welcoming of new undergraduate students: a relational constructivism experience for the integration of nursing students. *. REFACS 2019; 7(1): 91-96.

Obstetric Evaluation

- Analysis of postural changes on lumbar spine of pregnant women. REFACS 2019; 7(2):151-157.

Obstetric Nursing

- Labor assistance from the perspective of obstetrical nurses. REFACS 2019; 7(3):275-283.
- Nursing care from the perspective of pregnant women at high risk. REFACS 2019; 7(2):143-150.
- Obstetric nurses and healthcare in planned home childbirth: an integrative review. REFACS 2019; 7(3):357-365.

Obstetric Violence

- How precarious work conditions in health affect birth: an integrative review on obstetric violence. REFACS 2019; 7(3):345-356.

Oncology and Health

- Chemotherapy-related fatigue in women with breast cancer*. REFACS 2019; 7(3):322-330.

Oral Cancer

- Oral cancer, potentially malignant disorders and prevention: an integrative review. REFACS 2019; 7(4):481-492.

Palliative Care

- Palliative care in medical training. REFACS 2019; 7(4): 545-550.

Palliative Care and Skin Injuries

- The palliative care experienced in the assistance of a league of wounds: experience report. REFACS 2019; 7(4):515-520.

Permanent Education

- Educational intervention in the management of waste from health services in primary care. REFACS 2019; 7(4):521-527.

Physical Activity in the Elderly

- Effects of the multi-sensory training on trunk mobility and balance in community-dwelling elderly. REFACS 2019; 7(4):472-480.

Primary Care and Evidence-Based Practice

- Training challenges for the network practice: evidence-based health care. REFACS 2019; 7(4):551-558.

Primary Health Care

- Screening for breast cancer: knowledge and practices of professionals in the Primary Healthcare Unit. REFACS 2019; 7(3):306-312.

Popular Participation in Health

- Participation of the Program of Tutorial Education in Nursing in the Municipal Council of Health: experience report*. REFACS 2019; 7(1): 119-125.

Reproductive Planning

- Reproductive planning in health guidelines: an integrative review. REFACS 2019; 7(3):366-377.

Restorative Dentistry

- Efficacy of hydrogen peroxide in removing bulk-fill composite pigmentations. REFACS 2019; 7(2):135-142.

Right to Health

- Rights and duties of the Unified Health System users: experience report*. REFACS 2019; 7(1): 111-118.

School Health

- School Health Program: possibilities and challenges in the perspective of the multidisciplinary residency in health. REFACS 2019; 7(2):256-262.

Training in Health

- Multidisciplinary Residency in health: perceptions of residents, preceptors and tutors. REFACS 2019; 7(2):200-210.

Transsexuality and Homosexuality

- Depathologization of homosexuality and transsexuality: an integrative review. REFACS 2019; 7(3):378-389.

Violence Against Women and Primary Care

- Violence Victims: nursing professional attention in the Primary Care. REFACS 2019; 7(3):401-411.

Violence Epidemiology

- Characterization of reported cases of interpersonal and self-inflicted violence. REFACS 2019; 7(1): 41-52.

Violence of Gender

- Epidemiological profile of cases of violence among the elderly in the north of Minas Gerais State. REFACS 2019; 7(4): 432-442.

Worker's health

- Coping strategies of psychologists in a non-governmental CAPS. REFACS 2019; 7(4):460-471.
- Prevalence of low back pain and associated factors in nursing professionals. REFACS 2019; 7(2):158-166.
