

LIST OF AUTHORS REFACS 2019 (VOLUME 7)

Adriana Batista Alves Martins

- Palliative care in medical training. REFACS 2019; 7(4):545-550.

Adriana de Moraes Bezerra

- Clinical and Care management in the assistance of users of the Family Health Strategy .REFACS 2019; 7(1):23-31.

Alanna Julie Leão Ferreira

- The relationship between mental health and palliative care: perceptions of occupational therapists on the psychosocial network assistance.

REFACS 2019; 7(1): 32-40.

Alessandra Albuquerque Tavares Carvalho

- Correlation between anti-desmoglein and mucocutaneous lesions in patients with pemphigus vulgaris or foliaceus. REFACS 2019; 7(1):16-22.

-Oral cancer, potentially malignant disorders and prevention: an integrative review. REFACS 2019; 7(4): 481-492.

Alexandre Lins Werneck

- Characterization of reported cases of interpersonal and self-inflicted violence. REFACS 2019; 7(1): 41-52.

Alexandre Vicente da Silva

- Empathic skills on nursing consultation to the patient with cardiovascular disease: an integrative review. REFACS 2019; 7(2):227-239.

Aline de Freitas Mateus

- Cuidados paliativos en la formación médica.REFACS 2019; 7(4): 545-550.

Aline Guarato da Cunha Bragato

- Programa saúde na escola: possibilidades e desafios na perspectiva da residência multiprofissional em saúde. REFACS 2019; 7(2):256-262.

Álvaro da Silva Santos

- Conceptions about the nursing course at a public university: the opinion of professors. REFACS 2019; 7(1): 64-71.

- Educational intervention in the management of waste from health services in primary care. . REFACS 2019; 7(4):521-527.

- “Good gestate”: implementation of a group for pregnant women. REFACS 2019;7(2):263-269.

- Nurses’ perception regarding internship insertion of nursing students. REFACS 2019; 7(2):220-226.

- Overburden of family caregivers of elderly with depression: intervention strategies. REFACS 2019; 7(4): 493-504.

- Perception of PET GraduaSUS nursing students regarding their academic training. REFACS 2019; 7(2):211-219.

Ana Carolina Canassa Marques

- Coping strategies of psychologists in a non-governmental CAPS. REFACS 2019; 7(4): 460-471.

Ana Flávia Machado Oliveira

- Percepción de pacientes con cáncer sobre la influencia de la espiritualidad en el tratamiento quimioterapéutico. REFACS 2019; 7(4):443-449.

Ana Flávia Rosa Araújo

- Medical education in mother-child healthcare: practice environments, strategies, and challenges. REFACS 2019; 7(3): 412-418.

Ana Jecely Alves Pereira Lima

- Family approach and individualized therapeutic projects in Family Health Strategy: a case study with elderly patients. REFACS 2019; 7(1): 72-83.

Ana Karina Maciel de Andrade

- Effectiveness of hydrogen peroxide in removing bulk-fill composite pigmentations .REFACS 2019; 7(2):135-142.

Ana Laura Mendes Campoi

- Intervención multiprofesional en la sala de espera del HiperDía: relato de experiencia. REFACS 2019; 7(4): 528-535.

- Nursing care for patients with chronic wounds: an experience report .REFACS 2019; 7(2):248-255.

Ana Lúcia Fernandes Reis

- Characterization of reported cases of interpersonal and self-inflicted violence. REFACS 2019; 7(1): 41-52.

Ana Luisa Nunes Marques

- Family approach and individualized therapeutic projects in Family Health Strategy: a case study with elderly patients. REFACS 2019; 7(1): 72-83.

- Social-Educational experiences for health promotion in older people: assessing the intervention .REFACS 2019; 7(2):175-185.

Ana Maria Alves Kubernovicz Franze

- Reproductive planning in health guidelines: an integrative review. REFACS 2019; 7(3): 366-377.

Anna Claudia Yokoyama dos Anjos

- Chemotherapy-related fatigue in women with breast cancer. REFACS 2019; 7(3): 322-330.

Anna Luiza Salathiel Simões

- Educational intervention in the management of waste from health services in primary care. . REFACS 2019; 7(4):521-527.

Antonio Germane Alves Pinto

- Clinical and Care management in the assistance of users of the Family Health Strategy. REFACS 2019; 7(1):23-31.

- Nonverbal communication in the care of hypertensive patients in the Family Health Strategy. REFACS 2019; 7(3): 284-295

Bárbara Dias Rezende Gontijo

- Analysis of labor assistance in a university hospital. REFACS 2019; 7(3): 313- 321.

Beatriz Cardoso Lobato

- School health program: possibilities and challenges from the perspective of the multiprofessional residence in health. REFACS 2019; 7(2):256-262.

Bethania Ferreira Goulart

- Rights and duties of the Unified Health System users: experience report*.REFACS 2019; 7(1): 111-118.

Bibiane Dias Miranda Parreira

- Meaningful learning: theory as a framework for the elaboration of mini-courses by nursing undergraduate students*.REFACS 2019; 7(1): 84-90.

Brena Elisa Paulo

- The palliative care experienced in the assistance of a league of wounds: experience report. REFACS 2019; 7(4):515-520.

Brenda Thamiris Comandulli

- "We felt lost": The loss of a child with cancer. REFACS 2019; 7(4): 425-431.

Bruna Aparecida Rodrigues Duarte

- Violence Victims: nursing professional attention in the Primary Care. REFACS 2019; 7(3): 401-411.

Bruna Batista Oliveira Rocha

- Congenital syphilis: epidemiological characteristics of the mother/child binomial treated in a public teaching hospital. REFACS 2019; 7(2):167-174.

Bruna Carolina Sousa Castro

- Rights and duties of the Unified Health System users: experience report. REFACS 2019; 7(1): 111-118.

Bruna Cláudia Pansani Ferreira

- Conceptions about the nursing course at a public university: the opinion of professors. REFACS 2019; 7(1): 64-71.

- Nurses' perception regarding internship insertion of nursing students. REFACS 2019; 7(2):220-226.

- Perception of PET GraduaSUS nursing students regarding their academic training. REFACS 2019; 7(2):211-219.

Bruna Maria Malagoli Rocha

- Nursing assistance to palliative care infants with diagnoses of Edwards and Dandy-Walker syndromes. REFACS 2019; 7(4):505-514.

Bruna Stephanie Sousa Malaquias

- "Good gestate": implementation of a group for pregnant women. REFACS 2019; 7(2):263-269.

Bruna Veludo de Oliveira

- "Good gestate": implementation of a group for pregnant women. REFACS 2019; 7(2):263-269.

Camila Amaro Guedes Santos

- Medical education in mother-child healthcare: practice environments, strategies, and challenges. REFACS 2019; 7(3): 412-418.

Camila Andrade Lima

- Correlation between anti-desmoglein and mucocutaneous lesions in patients with pemphigus vulgaris or foliaceus. REFACS 2019; 7(1):16-22.

Camila Cristina Neves Romanato

- Conceptions about the nursing course at a public university: the opinion of professors. REFACS 2019; 7(1): 64-71.

- Nurses' perception regarding internship insertion of nursing students. REFACS 2019; 7(2):220-226.

- Perception of PET GraduaSUS nursing students regarding their academic training. REFACS 2019; 7(2):211-219.

Camila Neumaier Alves

- Nursing care from the perspective of pregnant women at high risk. REFACS 2019; 7(2):143-150.

Camilla Rivera Ribeiro

- Prevalence of low back pain and associated factors in nursing professionals. REFACS 2019; 7(2):158-166.

Carine Ferreira Lopes

- Chemotherapy-related fatigue in women with breast cancer*. REFACS 2019; 7(3): 322-330.

Carine Pinto Guimarães

- Nursing care provided to a pregnant woman under prolonged hospitalization due to pulmonary arterial hypertension. REFACS 2019; 7(3): 296-305.

Carla Denari Giuliani

- Violence Victims: nursing professional attention in the Primary Care. REFACS 2019; 7(3): 401-411.

Carla Nadja Santos de Sousa

- Screening for breast cancer: knowledge and practices of professionals in the Primary Healthcare Unit. REFACS 2019; 7(3): 306-312.

Carlus Alberto Oliveira dos Santos

- Correlation between anti-desmoglein and mucocutaneous lesions in patients with pemphigus vulgaris or foliaceus. REFACS 2019; 7(1):16-22.

Carolina Peixoto Cintra

- Overburden of family caregivers of elderly with depression: intervention strategies. REFACS 2019; 7(4): 493-504.

Carolina Pires Martos

- Percepción de pacientes con cáncer sobre la influencia de la espiritualidad en el tratamiento quimioterapéutico. REFACS 2019; 7(4):443-449.

Caroline Henriques Graciano

- Analysis of postural changes on lumbar spine of pregnant women. REFACS 2019; 7(2):151-157.

Cristiane Matos Nogueira

- The meaning of music for puerperal women regarding the prepartum experience. REFACS 2019; 7(3): 331-337.

Cristiane Soares Campos

- Chemotherapy-related fatigue in women with breast cancer*. REFACS 2019; 7(3): 322-330.

Celia Caldeira Fonseca Kestenberg

- Empathic skills on nursing consultation to the patient with cardiovascular disease: an integrative review. REFACS 2019; 7(2):227-239.

Cíntia Aparecida Garcia-Meneguci

- Prevalence of low back pain and associated factors in nursing professionals. REFACS 2019; 7(2):158-166.

Cíntia Tavares Carleto

- Health habits and quality of life of university students in health courses. REFACS 2019; 7(1): 53-63.

Dalmo Correia Filho

- Teaching Hospital: promoting health in the territory*. REFACS 2019; 7(1): 126-131.

Daniela Sarreta Ignacio

- Conceptions about the nursing course at a public university: the opinion of professors. REFACS 2019; 7(1): 64-71.

- Nurses' perception regarding internship insertion of nursing students. REFACS 2019; 7(2):220-226.

- Perception of PET GraduaSUS nursing students regarding their academic training. REFACS 2019; 7(2):211-219.

Danielle Ferreira Mazett

- School health program: possibilities and challenges from the perspective of the multiprofessional residence in health. REFACS 2019; 7(2):256-262.

Deisi Cristine Forlin Benedet

- Reproductive planning in health guidelines: an integrative review. REFACS 2019; 7(3): 366-377.

Diane Coelho Pereira

- Multiprofessional residence in health: perceptions of residents, preceptors and tutors. REFACS 2019; 7(2):200-210.

Daiane de Lima

- "We felt lost": The loss of a child with cancer. REFACS 2019; 7(4): 425-431.

Daiane Prates Prates

- Epidemiological profile of cases of violence among the elderly in the north of Minas Gerais State. REFACS 2019; 7(4): 432-442.

Diego da Silva Moreira

- Empathic skills on nursing consultation to the patient with cardiovascular disease: an integrative review. REFACS 2019; 7(2):227-239.
