

**List of Subjects REFACS 2020 (Volume 8)****Academic Health**

- Mental health at the university: report of a psychotherapy service for students of nursing. REFACS 2020; 8(Supplement 1): 648-657.

**Accessibility for Children with Disabilities**

- Urban accessibility barriers: daily life of families of children with neurological disabilities. REFACS 2020; 8(Supplement 2): 694-701.

**Adolescent Health**

- Alcohol use interfering with adolescent health: an integrative review. REFACS 2020; 8(Supplement 2): 763-772.

- Social relationships of adolescents with attention deficit hyperactive disorder. REFACS 2020; 8(Supplement 2): 719-726.

- The weakening of family bonds among adolescents in probation. REFACS 2020; 8(Supplement 3):975-986.

**Adolescent Mental Health**

- Perception of the family about the professional support received in a children and youth mental health service. REFACS 2020; 8(Supplement 1): 512-523.

**Anthropology of Health**

- Blessing in the Family Health Strategy: perspectives of nursing professionals. REFACS 2020; 8(1):87-99.

**Autism Spectrum**

- Perception of teachers of students with autism spectrum disorder about educational inclusion. REFACS 2020; 8(Suplemento1): 537-548.

**Autism Spectrum Disorder**

- Being sister of a person with autism spectrum disorders. REFACS 2020; 8(1):39-48.

**Breast Cancer**

- Delay in the first medical appointment after noticing signs/symptoms of breast cancer. REFACS 2020; 8(4): 819-826.

- Impact of fatigue on the quality of life of women with breast cancer. REFACS 2020; 8(3): 383-391.

**Caregivers of Elderly People**

- Mental status of caregivers of elderly people on renal dialysis. REFACS 2020; 8(3): 349-358.

**Child and Adolescent Health**

- Healthcare to youth with chronic illness. REFACS 2020; 8(Supplement 2): 674-684.

**Child Development**

- Motor performance in children by the Movement Assessment Battery for Children-2: integrative review Family Functioning. REFACS 2020; 8(1):126-136.

- The importance of family functioning in elderly care: factors associates. REFACS 2020; 8(1):78-86.

**Children Neurodevelopment**

- The relationship between neurodevelopmental factors and written elaboration by children at elementary school. REFACS 2020; 8(Suplemento 1): 93-502.

**Chronic Wound on Elderly People**

- Perceptions on the quality of life of elderly people with chronic wound. REFACS 2020; 8(3): 359-369.

**Cognitive Behavioral Therapy**

- Cognitive protocol for occupational stress management and control: a case study. REFACS 2020; 8(Supplement 1): 625-632.

**Complementary Therapies**

- Integrative and complementary practices: perceptions of Chi Kung practitioners. REFACS 2020; 8(Supplement 3): 1042-1054.

**Covid-19**

- Psychological alterations during social isolation in the COVID-19 pandemic: integrative review. REFACS 2020; 8(Supplement 1): 754-762.

**Defense of Children and Adolescents**

- Health promotion of children and adolescents in institutional care: challenges and perspectives. REFACS 2020; 8(Suplemento3): 1033-1041.

**Down Syndrome**

- Home stimuli and characteristics at birth of children with Down syndrome. REFACS 2020; 8(2):746-753.

**Educational Evaluation**

- Analysis of the skills of long distance tutors in Health Management courses in Brazil. REFACS 2020; 8(4): 923-932.

**Education in Health**

- Health education: experience in the waiting room. REFACS 2020; 8(Supplement 3): 1071-1078.

- Health handbook for the elderly as a health literacy tool. REFACS 2020; 8(Supplement 3): 1064-1070.

-Health literacy of mothers in managing emergency situations of their diabetic children. REFACS 2020; 8(Supplement 3): 987-999.

- Non-vaccination of children and health literacy. REFACS 2020; 8(Suplemento3): 1055-1063.

- Social Work and Multiprofessional Residency in health: training professionals to work in Healthcare. REFACS 2020; 8(Suplemento3): 1114-1122.

#### **Elderly Health**

- A look at family participation in the daily life of a long-term care facility for the elderly. REFACS 2020; 8(4): 847-856.
- Conceptions of the elderly on (inter)national policies on human aging. REFACS 2020; 8(4): 865-881.
- Meaning of life in healthy aging: contributions from Viktor Frankl's theory. REFACS 2020; 8(4): 943-951.
- Study on the rational use of medications in the elderly. REFACS 2020; 8(4): 882-889.

#### **Elderly in Long-Stay Institutions and Nutrition**

- Nutritional profile and status of elderly people in long-stay institutions in Brazil. REFACS 2020; 8(3): 464-471.

#### **Epidemiology and Collective Health**

- Epidemiology and Collective Health: historical aspects and evolution of scientific production. REFACS 2020; 8(3):478-482.

#### **Food Insecurity in Children with HIV**

- Programmatic vulnerability for food insecurity in children exposed to HIV: integrative review. REFACS 2020; 8(1):100-113.

#### **Gestational Diabetes**

- Perceptions of pregnant women with gestational diabetes mellitus: diagnosis, hospitalization and confrontation. REFACS 2020; 8(3): 435-445.

#### **Health Education**

- Strategy for the promotion of rational drug use in Youth and Adult Education. REFACS 2020; 8(1):49-56.
- The paradox of the action planning for Preventing HIV/AIDS in a public school. REFACS 2020; 8(1):18-26.

#### **Health Evaluation**

- Analysis of oral health indicators in the Metropolitan Region of Curitiba - Paraná state: advances and setbacks between 2015-2017. REFACS 2020; 8(4): 890-901.
- (In)security of multiparameter monitors in cardiac surgery: a diagnostic accuracy study Management in Health. REFACS 2020; 8(1):57-66.

#### **Health of Women Workers**

- Epidemiological profile of working mothers. REFACS 2020; 8(2):200-209.
- Sociodemographic profile, reported morbidities, well-being, and paid work of women: a population-based study. REFACS 2020; 8(2): 177-188.
- Socioeconomic characteristics, self-evaluation of health, and quality of life in women. REFACS 2020; 8(2): 210-218.
- Work capacity: occupational and socioeconomic factors of economically active women. REFACS 2020; 8(2): 189-199.

#### **Health Literacy**

- Aging: a case study on universities of the third age in Brazil and Portugal. REFACS 2020; 8(Supplement 1): 633-647.

#### **Health Policy**

- The dismantling of health policy under the management of social organizations. REFACS 2020; 8(Supplement 3): 1099-1106.

#### **Health Satisfaction**

- Knowledge and satisfaction of the users of a primary healthcare unit with regards to health services. REFACS 2020; 8(2): 282-294.

#### **Health Teaching**

- Social Work and Multiprofessional Residency in health: training professionals to work in Healthcare. REFACS 2020; 8(Supplement 3):1114-1122.

#### **History of Food**

- Memories of the Roman food heritage: a reflection. REFACS 2020; 8(Supplement 3): 1107-1113.

#### **Hospital Physical Therapy**

- Satisfaction on physical therapy care received in hospitals: point of view of patients and physical therapists. REFACS 2020; 8(3): 456-463.

#### **Humanization of Assistance**

- Reception of companions of women in labor in a high risk maternity ward. REFACS 2020; 8(4): 827-836.

#### **Information and Communication Technologies**

- Mobile phones and early detection of breast cancer: possibility of health education for Women. REFACS 2020; 8(3): 370-382.
- Online interviews: potential and challenges for data collection in the context of the COVID-19 pandemic. REFACS 2020; 8(4):960-966.

#### **Leishmaniasis Epidemiology**

- Epidemiological analysis of the American Cutaneous Leishmaniasis cases in a municipality of Triângulo Mineiro. REFACS 2020; 8(1):67-77.

#### **Management in Health**

- Strategic planning as a local management tool for primary health care. REFACS 2020; 8(1):27-38.

**Maternal Depression**

- Severity indicators of maternal depression: impact on behavioral problems of schoolchildren. REFACS 2020; 8(Suplemento1): 524-536.

**Maternal Mortality**

- Factors associated to maternal near miss on a university hospital. REFACS 2020; 8(3): 403-415.

**Mental Health in Teaching**

- Clinical supervision of young therapists in the context of chronic kidney disease. REFACS 2020; 8(Suplemento1): 658-665.

**Mental Health of Elderly People**

- Mental health and chronic diseases of the elderly in a Hiperdia group. REFACS 2020; 8(Suplement 1): 600-611.

**Neonatal Stimulation**

- Effect of specific, short-term training on the acquisition and retention of manual reach in premature, low birth weight infants. REFACS 2020; 8(Suplement 1):727-735.

**Neonatology**

- Influence of high weight on motor development in infants: an integrative review. REFACS 2020; 8(4): 933-942.

**Obstetric Violence**

- Obstetric violence from the perspective of women who participated in the Program "Mulheres Mil". REFACS 2020; 8(1): 296-306.

**Oral Health**

- Atraumatic restorative treatment for cavity control in schoolchildren from a municipality in Western region of Paraná state. REFACS 2020; 8(4): 857-864.

- Evaluation of the accomplishment of goals of secondary care in oral health in the state of Sergipe. REFACS 2020; 8(4): 913-922.

**Palliative Care**

- The benefits of palliative extubation on the quality of death. REFACS 2020; 8(2): 306-315.

**Perceptions about Breast Cancer**

- Going through the storm: body image and sexuality of women after breast cancer. REFACS 2020; 8(Suplement 1):562-574.

**Perceptions about HIV/AIDS**

- Perceptions on the adherence to treatment and psychological variables of HIV seropositive pregnant women to HIV/AIDS. REFACS 2020; 8(3): 392-402.

**Physical Activities with Elderly People**

- Activities of health promotion for a group of elderly people: experience report. REFACS 2020; 8(3): 472-477.

**Physical Activity on Diabetes**

- Physical activity on people with type 2 diabetes mellitus: cross section study. REFACS 2020; 8(3):446-455.

**Policy of Health**

- The dismantling of health policy under the management of social organizations. REFACS 2020; 8(Suplement 3):1099-1106.

**Production of Care and Hypertension**

- Production of care and intersubjective relationships with patients suffering of high blood pressure in the Family Health Strategy. REFACS 2020; 8(4): 837-846.

**Psychoanalysis and Group Practices**

- Group analysis with psychotic patients: the "life group" experience. REFACS 2020; 8(1):137-146.

**Psychoanalytical Look at Violence**

- University education and listening to violence. REFACS 2020; 8(Suplement 1):702-710.

**Psychosocial Attention**

Perception of Psychology professionals about the assistance offered to Psychosocial Care Centers users. REFACS 2020; 8(Suplement 1): 575-589.

**Psychosocial Care**

- The family in the process of social reintegration of ex-inmates of the prison system. REFACS 2020; 8(Suplement 1): 503-511.

- "Varanda de espera": new positions of the family in the devices of the Psychiatric Reform. REFACS 2020; 8(Suplement 2): 801-810.

**Puerperium Depression**

- Quality of life and indicative symptoms of puerperium depression. REFACS 2020; 8(3): 416-426.

**Realistic Mass Simulation**

- Realistic simulation of incident handling with multiple victims by the nursing residency Social Obstetrics. REFACS 2020; 8(1):147-154.

- The choice of delivery mode: an integrative review. REFACS 2020; 8(1):114-125.

**School Health**

- Indicators of the obesogenic environment and the influence of parenting styles on eating behavior in schoolchildren. REFACS 2020; 8(Suplement 2): 685-693.

**School Psychology**

- Conceptions of stress according to high school students in a small town. REFACS 2020; 8(Supplement 1): 549-561.

**Social Abilities**

- Relationships between social skills and substance use and discrimination and street situation. REFACS 2020; 8(Supplement 1): 612-624.

**Social Network and Stomas**

- The family in the care of people with an ostomy of elimination: functions of the social network. REFACS 2020; 8(4): 902-912.

**Social Protection**

- Accompanying families in the process of reconfiguration: representations attributed by parents who were former participants "oficinas de parentalidade". REFACS 2020; 8(Supplement 2): 711-718.

- Comprehensive protection for children and adolescents in situations of violence: a structured review. REFACS 2020; 8(Supplement 2): 773-783.

- Support networks in home care for premature newborns: an experience report. REFACS 2020; 8(Supplement 2): 784-791.

- The protection network for children and adolescents victims of violence: old dilemmas, new perspectives. REFACS 2020; 8(Supplement 2): 736-745.

**Social Psychology**

- Shame and secrecy in the familial context with a relative in prison. REFACS 2020; 8(4): 952-959.

**Social Work and Health**

- Professional performance of Social Work in health to enforce rights. REFACS 2020; 8(Supplement 3): 1009-1018.

- Social Work in health in Portugal and the challenges of Covid-19. REFACS 2020; 8(Supplement 3): 1086-1098.

**Teenage Pregnancy**

- Psychic development of adolescent mothers: a winnicottian view. REFACS 2020; 8(Supplement 1): 590-599.

**Teenager in Quilombola Community**

- Shared production of an educational game about alcohol with adolescents from the Quilombola community. REFACS 2020; 8(Supplement 2): 792-800.

**Therapeutic Itineraries**

- Self-knowledge as an important factor in breast cancer diagnosis: a case study. REFACS 2020; 8(1):155-161.

**View about Family**

- Values of the Madeira and Fortaleza university students: the family dimension. REFACS 2020; 8(1):8-17.

**Women and Incarcerated Family Members**

- Being related to persons deprived of liberty: repercussions on the experiences of mothers and partners. REFACS 2020; 8(3): 337-348.
