

List of Authors REFACS 2020 (VOLUME 8)**Adaene Alves Machado de Moura**

- Perception of the family about the professional support received in a children and adolescents' mental health service. REFACS 2020; 8(Supplement 1): 512-523.

Adriana Cristina de Araújo Figueiredo

- Socioeconomic characteristics, self-evaluation of health, and quality of life in women. REFACS 2020; 8(2): 210-218.

Adriana Nunes Moraes-Partelli

- Shared production of an educational game about alcohol with adolescents from the Quilombola Community. REFACS 2020; 8(Supplement 2): 792-800.

Adriana Santos Camargos

- Urban accessibility barriers: daily life of families of children with neurological disabilities. REFACS 2020; 8(Suplemento2): 694-701.

Ailton de Souza Aragão

- Comprehensive protection for children and adolescents in situations of violence: a structured review. REFACS 2020; 8(Supplement 2): 773-783.

- Dimensions of quality of life at work: representations of nursing teams in a hospital environment. REFACS 2020; 8(Supplement 3): 1019-1032.

- Integrative and complementary practices: perceptions of Chi Kung practitioners. REFACS 2020; 8(Supplement 3): 1042-1054.

- The protection network for children and adolescents victims of violence: old dilemmas, new perspectives. REFACS 2020; 8(Supplement 2): 736-745.

Alexandre Lins Werneck

- Accompanying families in the process of reconfiguration: representations attributed by parents who were former participants "oficinas de parentalidade". REFACS 2020; 8(Supplement 2): 711-718.

- Mental status of caregivers of elderly people on renal dialysis. REFACS 2020; 8(3): 349-358.

Alice de Oliveira Fagundes

- Accompanying families in the process of reconfiguration: representations attributed by parents who were former participants "oficinas de parentalidade". REFACS 2020; 8(Supplement 2): 711-718.

Aline Cristina Dadalte

- The family in the process of social reintegration of ex-inmates of the prison system. REFACS 2020; 8(Suplemento1):503-511.

Aline Oliveira Silveira

- Being sister of a person with autism spectrum disorders. REFACS 2020; 8(1):39-48.

Aline Pestana Santos

- Shared production of an educational game about alcohol with adolescents from the Quilombola Community. REFACS 2020; 8(Supplement 2): 792-800.

Alline Alves de Sousa

- Group activities for workers with musculoskeletal disorders associated to work: an experience report. REFACS 2020; 8(2): 317-327.

Álvaro da Silva Santos

- Conceptions of the elderly on (inter)national policies on human aging. REFACS 2020; 8(4): 882-889.

Amanda Giovanna Martins Pancrácio

- Relationships between social skills and substance use and discrimination and street situation. REFACS 2020; 8(Supplement 1): 612-611.

Amanda Moreno Miranda

- (In)security of multiparameter monitors in cardiac surgery: a diagnostic accuracy study Management in Health. REFACS 2020; 8(1):57-66.

Ambra Pallazi

- Online interviews: potential and challenges for data collection in the context of the COVID-19 pandemic. REFACS 2020; 8(4):960-966.

Amélia Simpliciana Delgado Mesquita

- Psychic development of adolescent mothers: a winnicottian view. REFACS 2020; 8(Supplement 1): 590-599.

Ana Carolina Andrade Biaggi Leite

- Health literacy of mothers in managing emergency situations of their diabetic children. REFACS 2020; 8(Supplement 3): 987-999.

Ana Carolina da Silva Oliveira

- Perception of Psychology professionals about the assistance offered to Psychosocial Care Centers users. REFACS 2020; 8(Supplement 1): 575-589.

Ana Carolina Ferreira Castanho

-Clinical supervision of young therapists in the context of chronic kidney disease. REFACS 2020; 8(Supplement 1): 658-665.

- The family in the process of social reintegration of ex-inmates of the prison system. REFACS 2020; 8(Supplement 1):503-511.

Ana Caroline Carneiro Lopes

- Healthcare to youth with chronic illness. REFACS 2020; 8(Supplement 2): 674-684.

Ana Cristina Toyama Sato

- Mental status of caregivers of elderly people on renal dialysis. REFACS 2020; 8(3): 349-358.

Ana Catarina Perez Dias

- Obstetric violence from the perspective of women who participated in the Program "Mulheres Mil". REFACS 2020; 8(1): 296-306.

Ana Flávia Ferreira dos Santos

- Epidemiological analysis of the American Cutaneous Leishmaniasis cases in a municipality of Triângulo Mineiro. REFACS 2020; 8(1):67-77.

Ana Laura Nogueira

-Situational strategic planning in health and the approaches to worker's health in Family Health Strategy. REFACS 2020; 8(2): 249-260.

Ana Maria Fontenelleh Catrib

- Values of the Madeira and Fortaleza university students: the family dimension. REFACS 2020; 8(1):8-17.

Anamaria Silva Neves

- "Varanda de espera": new positions of the family in the devices of the Psychiatric Reform. REFACS 2020; 8(Supplement 2): 801-810.

- University education and listening to violence. REFACS 2020; 8(Supplement 1): 702-710.

Ana Patrícia Pereira Morais

- Strategic planning as a local management tool for primary health care. REFACS 2020; 8(1):27-38.

Ana Paula Andrade Hamad

- The relationship between neurodevelopmental factors and written elaboration by children at elementary school. REFACS 2020; 8(Supplement 1): 93-502.

Ana Paula Casagrande Silva-Rodrigues

- Severity indicators of maternal depression: impact on behavioral problems of schoolchildren. REFACS 2020; 8(Supplement 1): 524-536.

Ana Paula Gomes Fernandes

-Socioeconomic characteristics, self-evaluation of health, and quality of life in women. REFACS 2020; 8(2): 210-218.

Ana Paula Parada

-Clinical supervision of young therapists in the context of chronic kidney disease. REFACS 2020; 8(Supplement 1): 658-665.

Anderson Alves Dias

- Level of disability and quality of life in women with chronic low back pain. REFACS 2020; 8(2): 261-266.

Andréa Licre Pessina Gasparini

- Level of disability and quality of life in women with chronic low back pain. REFACS 2020; 8(2): 261-266.

Andrea Ruzzi Pereira

- Social relationships of adolescents with attention deficit hyperactive disorder. REFACS 2020; 8(Supplement 2): 719-726.

Andréia Aparecida Reis de Carvalho Liporoni

- The dismantling of health policy under the management of social organizations. REFACS 2020; 8(Supplement 3): 1099-1106.

André Luiz Marçal Terreri

- Atraumatic restorative treatment for cavity control in schoolchildren from a municipality in Western region of Paraná state. REFACS 2020; 8(4): 857-864.

Andrezza Serpa Franco

- (In)security of multiparameter monitors in cardiac surgery: a diagnostic accuracy study Management in Health. REFACS 2020; 8(1):57-66.

Angela Cristina Pontes Fernandes

- The relationship between neurodevelopmental factors and written elaboration by children at elementary school. REFACS 2020; 8(Supplement 1): 93-502.

Angélica Dalmolin

- The family in the care of people with an ostomy of elimination: functions of the social network. REFACS 2020; 8(4): 902-912.

Angélica Yolanda Bueno Bejarano Vale de Medeiros

- Meaning of life in healthy aging: contributions from Viktor Frankl's theory. REFACS 2020; 8(4): 943-951.

Anna Cláudia Yokoyama dos Anjos

- Impact of fatigue on the quality of life of women with breast cancer. REFACS 2020; 8(3):383-391.

Annanda Fernandes de Moura Bezerra Batista

- Healthcare to youth with chronic illness. REFACS 2020; 8(Supplement 2): 674-684.

Antonio Germane Alves Pinto

- Production of care and intersubjective relationships with patients suffering of high blood pressure in the Family Health Strategy. REFACS 2020; 8(4): 837-846.

- Strategic planning as a local management tool for primary health care. REFACS 2020; 8(1):27-38.

Antônio Marcos Tosoli Gomes

- Conceptions of the elderly on (inter)national policies on human aging. REFACS 2020; 8(4): 865-881.

Antônio Raposo

- Memories of the Roman food heritage: a reflection. REFACS 2020; 8(Supplement 3): 1107-1113.

Antônio Ribeiro Neto

-Benefits of extreme fitness programs for women. REFACS 2020; 8(2): 274-28.

- Capacity for work and quality of life in Crossfit. REFACS 2020; 8(2): 242-248.

Anyele Albuquerque Lima

- Psychological alterations during social isolation in the COVID-19 pandemic: integrative review. REFACS 2020; 8(Supplement 2): 754-762.

Araceli Albino

- Group analysis with psychotic patients: the "life group" experience. REFACS 2020; 8(1):137-146.

Arthur Alexandrino

- Perceptions on the quality of life of elderly people with chronic wound. REFACS 2020; 8(3):359-369.

Beatriz Paschoini Andrade Silva

- The benefits of palliative extubation on the quality of death. REFACS 2020; 8(2): 306-315.

Beatriz Schmidt

- Online interviews: potential and challenges for data collection in the context of the COVID-19 pandemic. REFACS 2020; 8(4):960-966.

Belisa Vieira da Silveira

- Perception of the family about the professional support received in a children and adolescents' mental health service. REFACS 2020; 8(Supplement 1): 512-523.

Bianca Vechia Penido

- Realistic simulation of incident handling with multiple victims by the nursing residency Social Obstetrics. REFACS 2020; 8(1):147-154.

Bibiane Dias Miranda Pereira

Quality of life and indicative symptoms of puerperium depression. REFACS 2020; 8(3):416-426.

Brenda Magalhães Arantes

- Factors associated to maternal near miss on a university. REFACS 2020; 8(3):403-415.

Bruna Afonso Gibim

- University education and listening to violence. REFACS 2020; 8(Supplement 1): 702-710.

Bruna Yara Costa

- Physical activity on people with type 2 diabetes mellitus: cross section study. REFACS 2020; 8(3):446-455.

Bruna Lima

- The choice of delivery mode: an integrative review. REFACS 2020; 8(1):114-125.

Bruna Silveira Toledo Barbosa

- Burnout syndrome, sociodemographic, occupational, and job satisfaction variables in a hospital nursing staff. REFACS 2020; 8(2): 232-241.

Bruna Sodr  Simon

- The family in the care of people with an ostomy of elimination: functions of the social network. REFACS 2020; 8(4): 902-912.

Camila Neumaier Alves

- The paradox of the action planning for Preventing HIV/AIDS in a public school. REFACS 2020; 8(1):18-26.

Camila Soares

- Group activities for workers with musculoskeletal disorders associated to work: an experience report. REFACS 2020; 8(2): 317-327.

Carolina Correia Bilotti

- Mobile phones and early detection of breast cancer: possibility of health education for women. REFACS 2020; 8(3): 370-382.

Carolina Fioroni Ribeiro da Silva

- Influence of high weight on motor development in infants: an integrative review. REFACS 2020; 8(4): 933-942.

Carolina Sales Galdino

- A look at family participation in the daily life of a long-term care facility for the elderly. REFACS 2020; 8(4): 847-856.

Carolina Woetyla Batista Nunes

- Conceptions of stress according to high school students in a small town. REFACS 2020; 8(Supplement 1): 549-561.

Caroline Francisca Eltink

- Conceptions of stress according to high school students in a small town. REFACS 2020; 8(Supplement 1): 549-561.

Caroline de Oliveira

- Motor performance in children by the Movement Assessment Battery for Children-2: integrative review. REFACS 2020; 8(1):126-136.

Cassiana Moraes de Oliveira

- Perceptions on the adherence to treatment and psychological variables of HIV-seropositive pregnant women to HIV/AIDS. REFACS 2020; 8(1):126-136.

Cesar Augusto Piccinini

- Online interviews: potential and challenges for data collection in the context of the COVID-19 pandemic. REFACS 2020; 8(4):960-966.

Christina C sar Pra a Brasil

- Values of the Madeira and Fortaleza university students: the family dimension. REFACS 2020; 8(1):8-17.

C ntia Braguetto Ferreira

- Perceptions of pregnant women with gestational diabetes mellitus: diagnosis, hospitalization and confrontation. REFACS 2020; 8(3):435-445.

- Perceptions on the adherence to treatment and psychological variables of HIV-seropositive pregnant women to HIV/AIDS. REFACS 2020; 8(3):392-402.

C ntia Machado Dutra

- Realistic simulation of incident handling with multiple victims by the nursing residency Social Obstetrics. REFACS 2020; 8(1):147-154.

Cl udia Helena Juli o

- Health education and health literacy: strategies for health promotion and quality of life. REFACS 2020; 8(Supplement 3): 1079-1085.

- Health promotion of children and adolescents in institutional care: challenges and perspectives. REFACS 2020; 8(Supplement 3): 1033-1041.

Cristiane Cardoso de Paula

- Programmatic vulnerability for food insecurity in children exposed to HIV: integrative review. REFACS 2020; 8(1):100-113.

Cristiane Soares Campos

- Impact of fatigue on the quality of life of women with breast cancer. REFACS 2020; 8(3):383-391.

Cristiane Vitaliano Graminha

- Impact of the disease, depressive symptoms, and pain on quality of life of women with fibromyalgia. REFACS 2020; 8(2): 267-273.

- Socioeconomic characteristics, self-evaluation of health, and quality of life in women. REFACS 2020; 8(2): 210-218.

Cristina Arreguy-Sena

- Conceptions of the elderly on (inter)national policies on human aging. REFACS 2020; 8(4): 865-881.

Daniela do Carmo Oliveira Mendes

- Search for care in public emergency services by the female population. REFACS 2020; 8(Supplement 3): 1000-1008.
